NOTICE OF APPEAL

Applicant hereby appeals to the Board of Patent Appeals and Interferences from the action dated September 22, 2004, finally rejecting claims 1-17 and 19-28.

A request for reconsideration was filed on November 22, 2004, within two month of the mailing date of the final office action. No advisory action has been received. According to PAIR, the November 22, 2004 request was only forwarded to the Examiner on March 18, 2005, almost four months after it had been mailed.

Applicant notes that the form paragraph required under MPEP 706.07(f)(A) was omitted from the final action and that MPEP 706.07(f)(B) therefore applies. According to a MPEP 706.07(f)(B), if a reply to the final action was timely filed within two months, the period for response should be vacated and reset consistent with the Office policy.

A check in the amount of \$250 for the appeal fee is enclosed. No further fees are believed to be due. However, if the Office considers additional fees to be due, please charge
